

# 13th Year a Lucky One for Top O' the Day Tee-Off

By Kimberly Cook

**G**olfers from near and far joined forces to support the North Dakota Water Education Foundation's Dushinske & Jamison Water Resources Scholarship during the 13th annual Top O' the Day Tee-off golf scramble. The scholarship was established in honor of Russell Dushinske and Warren Jamison, for their many years of service to water development in North Dakota.

The scramble, held at CrossRoads Golf Course in Carrington, raised approximately \$5,000 for the scholarship fund. Each year, two \$1,500 scholarships are awarded to one male and one female student attending a North Dakota college or university, and whose family has taken an active role in state water resource management.

This year, 130 golfers were lucky enough to enjoy a sunshine-filled afternoon, which passed quickly as the 33 teams teed off, and completed the 18-hole course vying for top finishes and a number of prizes that were given away at the conclusion of the scramble. The course was filled with contests and promotional items provided by businesses and organizations that sponsored the holes. As golfers concluded their rounds, dinner was held at the clubhouse, followed by an awards ceremony, where the teams who finished first, third, and 13th were awarded prizes, as well as winners of contests featured at many of the holes. Teammates Wes Black, Keith Duchscher, Randy Westby, and Rick Bruggeman took home the first-place prize, with a score of 58, which is 14 under par.

The Water Education Foundation extends its thanks to the tournament contestants and generous sponsors who continue to support the Dushinske & Jamison Water Resources Scholarship by participating in the Top O' the Day Tee-off golf scramble.

# Congratulations

Prizes were awarded to the teams

## 1st Place

Wes Black,  
Rick Bruggeman,  
Keith Duchscher, and
